

WELCOME TO FLORIDA FERTILITY INSTITUTE

We're here because we understand how important having a family is to you. Let us help your dream become a reality.

The Florida Fertility Institute is a nationally recognized state-of-the-art practice that offers comprehensive advanced reproductive treatment services. The Institute's highly qualified team of fertility professionals combines medical and scientific expertise with the highest level of individualized and compassionate patient care.

If you're having difficulty conceiving, it can be a very troubling and frustrating time. That's why the Florida Fertility Institute team shares a passionate commitment to providing you with the optimal fertility and gynecology treatment plan that best meets your individual needs. We've earned a reputation among physicians and patients as The Fertility Experts by successfully helping couples from around the country achieve their very personal dream of having a baby.

We recognize that infertility factors vary from one couple to the next—making the needs of each couple unique. That's why we develop the optimal protocol for you. From affordable tubal ligation reversal to a full array of assisted reproductive technologies, we offer you state-of-the-art medical treatment in a caring, professional environment.

Our practice is accredited by the prestigious Joint Commission on Accreditation of Health Care Organizations. The physicians of The Florida Fertility Institute are fellowship-trained Reproductive Endocrinologists and Infertility Specialists. Our scientists have been trained at the nation's leading universities and our nursing staff have years of experience in reproductive and infertility care. We work as a team to provide you with the most advanced care available through medical science.

We realize that taking the next step in your fertility treatment is a major personal and financial decision.

That's why we've created this information package to help you explore the options available to you. But this information is just a beginning, please feel free to contact us. We'll assist you in any way we can and address your questions and concerns. It is the goal of our team to provide you with extensive education and support in order to make your experience as easy and rewarding as possible.

Give us a call.
Our caring team is ready to help.

Sincerely,
The Physicians & Staff
of the Florida Fertility Institute

Florida Fertility Institute is nationally recognized as one of the most successful advanced fertility treatment facilities in the United States. The commitment to scientific and clinical research has resulted in a number of "firsts" in Florida and in Tampa Bay, including the first GIFT pregnancy, the first in the region to offer embryo cryopreservation, the first successful pregnancy following cryopreservation, and the first baby born from intracytoplasmic sperm injection (ICSI). Florida Fertility Institute provides Tampa Bay's only in-office IVF program.
